A wide and skilful selection of fragrances, suitable for every context, preference and need, exploits the persuasive magic of olfactory memory, embraces, pervades the senses and infuses serenity. The room fragrance diffusers by Cooperativa Profumieri, with **natural wooden sticks**, blend stylishly and discreetly into any environment, providing a delicate and long-lasting fragrance. Contained in **elegant, Italian-designed glass bottles** in different sizes, the fragrances are diffused through sticks that, immersed in the perfume, absorb them by capillarity, transport them upwards and release them evenly and constantly.
