LITALIANI

GAUDINI

Gaudini by Litaliani represent a unique product of the Apulian bakery tradition. Made with soft wheat flour, white wine and extra virgin olive oil, they are a healthy and tasty finger food. So crumbly, they are ideal for a tasty break or a fresh aperitif at any time during your day, or as a crispy alternative to bread on your table.

CAMPAGNOTTO

The «Campagnotto dolce» by Litaliani is a mild salami made from selected, fresh Italian meat, seasoned with salt, sweet peppers and wild fennel. After a curing period of about 18 days, the «Campagnotto» achieves its typically mild and delicate taste. It is compact when cut and is perfect for an aperitif, as an appetiser or for a simple yet tasty snack with friends. It contains no preservatives, antioxidants, lactose, milk and gluten derivatives, which makes it suitable for people with allergies or intolerances.

MANGIOTTELLA

With its round shape, resembling a loaf of bread, Litaliani's «Mangiottella» with herbs is an artisan salami made from selected, lean, strictly Italian pork meat. It is the perfect combination of taste and tradition, with the characteristic aroma of cured salami and a full, enveloping flavour, resulting from the use of herbs and natural spices.
